Congratulations!

While we are all missing Leslie's smiling face at the front desk, she is at home tending to a healthy new **baby boy!**

6 lb-11 oz, Chase Evan made his debut into the world on Monday, August 17 at 1:22 p.m.

Leslie will be returning after her maternity leave, and we are excited to announce that she will be resuming the esthetician services at both office locations.

Be sure to look for scheduling details and special offers for skin care services in our next E-Newsletter!

Dr. Mackay takes family to Ecuador

Read about Dr. Mackay's **humanitarian trip to Ecuador** with daughter, Meredith and wife, Diane. The good doctor took his family with him to perform much-needed vein procedures (to patients with vein diseases and significant circulatory problems) to underprivileged people in Quito, Ecuador.

Read the whole story on the *Orlando Sentinel*, [Change the World Blog](#).

Also this summer:

For the third consecutive year, Dr. Mackay was invited to **teach physicians** from around the globe about vein treatments and procedures while in the **Dominican Republic** this past July, again assisting underprivileged patients with vein diseases and significant circulatory problems.

Month:

"To become truly great, one has to stand with people, not above them."

-Marleen Charles de Montesquieu

About Dr. Mackay

Dr. Mackay, FACS, RVT, RPVI is Board-Certified in Vascular Surgery and has practiced vascular surgery in the Tampa Bay area since 1993.

He provides training in vein treatment procedures to physicians throughout the U.S. and internationally and has a proven history of results.

Dr. Mackay successfully treats varicose and spider veins with a combination of minimally-invasive and micro-surgical procedures. He was the first in Florida to employ revolutionary, FDA approved techniques such as Laser Ablation and VNUS Closure for the treatment of varicose veins.
